TRAVELLERS THEATRE

October 21, 22, 23, 24

SATURDAY, SUNDAY, MONDAY
by Eduardo de Filippo

In a typical Neapolitan family the highlight of the week is Sunday lunch, almost a sacred rite, lovingly prepared all Saturday evening. But on this Saturday, as the onions are cooking and the meat marinading, a monumental family row begins to brew, breaking out just as the ragu is served for Sunday lunch, and finally touchingly resolved on Monday. Much more than an amusing and dramatic slice of Italian life, 'Saturday, Sunday, Monday' gives a sympathetic portrayal of the relationship between a man and woman after more than thirty years.

Directed by

COLIN HICKMAN

In an English adaption by:

KEITH WATERHOUSE AND WILLIS HALL

'Seething with life'..... John Barber, Daily Telegraph
