About This Production

On a bitterly cold London evening, schoolteacher Kyra Hollis receives an unexpected visit from her former lover, Tom Sergeant, a successful and charismatic restaurateur whose wife has recently died.

As the evening progresses, they attempt to rekindle their once passionate relationship only to find themselves locked in a dangerous battle of opposing ideologies and mutual desires.

"There are times in the theatre when you suddenly find yourself in the grip of silence. There is no fidgeting or coughing, no shifting about in seats: the audience's attention is so tense it is almost palpable", Sunday Times
