About This Production

Four marriages become entangled in a web of love, deceit, sex and death. Who will survive?

When a woman disappears, nine lives weave together in this tense, electrifying play about relationships between lovers, strangers, and the infinite ways people wound one another.

This production is part of Proscenium's Centenary Season, celebrating 100 years of Proscenium. A programme about the play is included with your ticket.

About Proscenium

Proscenium was founded in 1924. Since then, our aim has been to present classic and contemporary plays to as wide an audience as possible.
